At Panel meeting on 7 November 2005, during discussion on the provision of support services for visually impaired residents in public housing estates, Members asked for the names of the 69 estates where the improvement works for facilities for elderly and disabled persons have not yet been completed.

As at 30 November 2005, of the 69 estates mentioned above, the improvement works for 17 estates have just been completed. The improvement works for the remaining 52 estates, covering works like installation of dropped kerbs, handrails and signs, are still in progress. The works are scheduled for completion within the coming year. Details are set out at Annex.

Yours sincerely,
