

**Panel on Transport and  
Panel on Financial Affairs**

**Follow-up to joint meeting on 22 May 2006**

At the joint panel meeting on 22 May 2006, members examined the fare-related issues of the rail merger proposal. In order to facilitate members' understanding of the existing fare packages of the Airport Express Line (AEL) and the proposed formula for determining future fare adjustments, members requested the Administration/MTR Corporation Limited to provide the following information:

- (a) Details of concessionary fares provided to passengers travelling on the AEL, including any special fares provided to staff of commercial corporations working at the Hong Kong International Airport; and
- (b) Basis of pitching the productivity factor at 0.1%.
