

Legislative Council Economic Services Panel

SkyCity Development at HKIA

*Airport Authority
22 January 2007*

Airport Business is a business that creates:

- **Economic value**
- **Social value**

Redefine the Airport Business

*Airport is the centre
of integrated multi-modal flows of
people, goods, information and capital*

機場是一個充分整合，多式的人流，
物流，資金流，資訊流的滙流中心
