Dear Ms Yau

**Bills Committee on Energy Efficiency (Labelling of Products) Bill –
Views on Energy Efficiency (Labelling of Products) Bill (the Bill)**

Thank you for your letter of 17 May 2007 inviting the Institution to put forth our views on Energy Efficiency (Labelling of Products) Bill (the Bill).

The Hong Kong Institution of Engineers supports the captioned Bill to introduce a Mandatory Energy Efficiency Labelling Scheme and considers it a positive move to encourage manufacturers to produce more energy efficient products for the benefit of the consumers as well as to help in combating the global warming effect.

Please be informed that the HKIE will not have any representative in attending the Committee meeting on 1 June 2007.

Thank you.

Yours sincerely

Ir WONG Kwok Lai
President
