Mandatory Provident Fund Schemes (Amendment) Bill 2007**

**Proposed Committee Stage Amendments**

This paper sets out the Committee Stage Amendments (“CSAs”) intended to be moved by the Administration with regard to the Mandatory Provident Fund Schemes (Amendment) Bill 2007 (“the Bill”).

**The proposed Committee Stage Amendments**

2. The rationale for moving the CSAs (at Annex) is explained in the ensuing paragraphs.

Clause 2

3. We intend to move a CSA to amend clause 2 of the Bill to specify that except for sections 35 – 38 (Part 12), section 60 (Part 25) and sections 62 – 72 (Part 27) which shall come into operation on a day to be appointed by the Secretary for Financial Services and the Treasury by notice published in gazette, all sections shall commence operation on the date of gazettal.

4. The rationale for deferring the commencement of the above sections is that sufficient lead time would need to be allowed for the relevant parties, including the employers and approved trustees, to make the necessary preparation before the provisions could come into operation. Those proposals are related to:

- (a) treatment of unclaimed benefits (Part 12) where trustees would need to amend their scheme administration procedures and systems; and trustees and the Mandatory Provident Fund Schemes Authority (“MPFA”) would need to align their databases on members with unclaimed benefits;

- (b) the removal of the exclusion of housing allowance and other housing benefit from the definition of “relevant income” (Part 25) where some employers’ organisations have requested that a transitional period be provided for employers to adjust their payroll systems and the design of their employees' benefits packages which use the amount of relevant income as the basis for computing other benefits such as voluntary contributions; and
- (c) the improvement of the arrears recovery mechanism (Part 27), including the removal of the 30-day settlement period where some employers’ organisations have requested that a transitional period be provided for employers to adapt to the change, as there will no longer be any buffer for employers to remit contribution data and payment by the end of the contribution day.

#### Clauses 23 and 24

5. We intend to move a CSA to amend clause 23 to create a new section 7D to specify that where an employer enters into an employment contract with an employee who is less than 18 years of age, and the employer continues to employ the employee after the employee reaches the age of 18, the Mandatory Provident Fund Schemes Ordinance (“MPFSO”) applies to the employer and the employee as if the employment contract had been entered into on the day the employee reached 18 years of age and the employment had begun on that day. Similar provision to cater for the situation of a self-employed person is also added under the new section 7D, so clause 24 is proposed to be deleted.

6. This CSA seeks to better clarify the application of the MPFSO to the employer and the employee. With the proposed amendment, an employer would be required to arrange an employee who reached the age of 18 whilst under that employment to become a member of an MPF scheme and make MPF contributions in accordance with sections 7 and 7A of the MPFSO as if the employment had begun on the day the employee reached the age of 18. The CSA similarly clarifies the

application of the MPFSO to a self-employed person who reached the age of 18 whilst being self-employed. That is, a self-employed person would need to become a member of an MPF scheme and make MPF contributions in accordance with section 7C of the MPFSO as if the self-employment had begun on the day he reached the age of 18.

#### Clause 37

7. We intend to move a CSA to clause 37 to add a subsection under the proposed section 172C to highlight the purpose of the unclaimed benefits register. Presently, the purpose of the unclaimed benefits register is buried in the proposed section 172C(4) which provides that a member of the public may inspect the register “to ascertain whether he has any unclaimed benefits in the MPF scheme”.

#### Clauses 47 to 49

8. We intend to move a CSA to amend clauses 47, 48 and 49 to impose a prosecution time bar on the offences against sections 43C and 43E of the MPFSO and certain offences under section 26 of the Mandatory Provident Fund Schemes (Exemption) Regulation respectively, which is within 6 months after the offence is discovered or comes to the notice of the MPFA, or 3 years from the commission of such offence, whichever is the earlier. This is in response to the comments of the Hong Kong Bar Association that the extension of the prosecution time bar as proposed in the Bill would provide for potentially open ended periods in cases where offences remain undiscovered for a long time.

#### Clause 54

9. We intend to move a CSA to clause 54 of the Bill to replace “paragraphs (b) to (f)” in section 56(5) of the Mandatory Provident Fund Schemes (General) Regulation with “paragraphs (b) to (fa)”. This is a consequential amendment.

#### Clause 60A

10. We intend to move a CSA to add a new clause 60A to the

Bill to specify that the MPFSO as amended by section 60 of the Bill applies in relation to a contribution period that begins on or after the date of commencement of that section. This serves to clarify how the revised definition of “relevant income” would apply in relation to a contribution period.

### Clause 63

11. We intend to move a CSA to amend clause 63 by refining section 18(5) of the MPFSO to clearly specify and delineate, in the respective cases of an employee and a self-employed person, the arrangement on the payment of the arrears or contribution surcharges by the MPFA to a MPF scheme. These arrears or contributions were, in the first place, paid to or recovered by the MPFA in respect of the employee or the self-employed person. The CSA serves to set out how the MPFA would handle the arrears or contribution surcharges recovered by or paid to it.
