Discussion on the concept of mainstreaming racial equality through equality plans

The Bills Committee received a briefing by the Chief Legal Counsel of EOC on the concept of mainstreaming racial equality through equality plans as detailed in its submissions. The Bills Committee agreed that representatives of Hong Kong Human Rights Monitor and Hong Kong Unison be invited to give views on the proposal of introducing a Race Equality Scheme (index of proceedings at **Annex**).

*(Post-meeting note: the joint submission from Hong Kong Human Rights Monitor and Hong Kong Unison tabled at the meeting was issued vide LC Paper No. CB(2)2108/07-08.)*

2. After deliberation of the merits of the proposed Race Equality Scheme, the Bills Committee requested -

Admin (a) the Administration to provide its views before the meeting scheduled for 3 June 2008 on the proposal to impose a statutory duty on the Government and public authorities under the Bill to draw up equality plans and the difficulties envisaged if the plans were to be drawn up; and

ALA6 (b) the legal adviser to the Bills Committee to prepare a discussion draft of the proposed Committee Stage amendments (CSAs) for imposing such a statutory duty for members' consideration.

3. Members agreed that the Chairman should write to the Secretary for Constitutional and Mainland Affairs (SCMA) to invite him to attend the meeting scheduled for 3 June 2008 to join the discussion on the statutory duty to draw up equality plans.

*(Post-meeting note: the Chairman's letter dated 26 May 2008 to SCMA was issued vide LC Paper No. CB(2)2133/07-08.)*

Action

Clause-by-clause examination of the Bill

4. The Bills Committee completed scrutiny of Clauses 56 and 57 of the Bill (index of proceedings at **Annex**).

Clerk

5. To facilitate members' scrutiny of provisions of the Bill relating to EOC, the Chief Legal Counsel of EOC was requested to provide the following information -

- (a) whether there was any substantive difference between the provisions in Parts 7 and 8 of the Bill and the relevant provisions under the three existing anti-discrimination ordinances;
- (b) any observations on the application of the provisions under Parts 7 and 8 of the Bill to matters relating to racial discrimination on the assumption that there was no difference between these provisions and those under the existing anti-discrimination ordinances;
- (c) problems encountered, if any, in the operation of the relevant provisions of these anti-discrimination ordinances and possible ways to address those problems;
- (d) whether EOC had the same power when conducting an investigation upon receipt of a complaint as conducting a formal investigation under the relevant provisions;
- (e) whether EOC was still bound to endeavour, by conciliation, to effect a settlement of the matter to which the complaint related, when the complainant had already commenced proceedings against the complainee before lodging a complaint to EOC; and
- (f) the criteria according to which EOC decided whether or not it would provide assistance to the complainant and the type of assistance to be provided.

Admin

6. The Administration was requested to -

- (a) provide response to concern about Clause 56 which expressly exempted any acts done for the purpose of complying with an existing statutory requirement from being rendered unlawful;
- (b) consider whether the relevant provisions should be amended to the effect that the "requirement" in Clause 56 would not be restricted to requirements of existing statutory provisions only, but should include future legislation; and

Action

- (c) explain the need for the exemption provided under Clause 57 as the rights of inhabitants in the New Territories were already protected by Article 40 of the Basic Law and to provide justification for the exemption under Clause 57(a)(ii).

Date of next meeting

7. Members noted that the next meeting would be held on Monday, 26 May 2008, at 8:30 am.
8. There being no other business, the meeting ended at 10:30 am.
