**Motion on
“Concern about the problems of the middle-class”
to be moved by Hon Mrs Selina CHOW LIANG Shuk-ye
at the Legislative Council meeting
of Wednesday, 13 December 2006**

Wording of the Motion

“That, as the middle-class have always been shouldering heavy burdens, with many obligations but few benefits, and their interests have often been neglected, this Council urges the Government to expeditiously review the existing policies on education, health care, social welfare and taxation, so as to do justice to the middle-class.”
