**Panel on Commerce and Industry  
Meeting on 13 March 2007**

At the meeting of the Panel on Commerce and Industry held on 13 March 2007, the Administration undertook to follow up with Celebrations Co-ordination Office (CCO) on the provision of information relating to commercial sponsorships for members' reference. I am writing to provide the relevant information.

CCO encourages all sectors of the community to actively participate in the celebrations of the 10<sup>th</sup> Anniversary of the HKSAR one way or another, e.g. through organising celebration events, providing sponsorship, etc. The 10<sup>th</sup> Anniversary Celebrations Fund was established in November 2006 to receive donations and sponsorships from individuals, business corporations and other organisations. The sponsorship is mainly used to support major celebration events organised or co-organised by the Government, and has been allocated through District Offices to district-based organisations for organising celebration activities from April to September 2007.

Through sponsoring the said events, all sectors of the community will have a stronger sense of participation and become "a stakeholder" of the events, thus achieving the purposes of promoting community

involvement and celebrations for all. Organisations wishing to participate in the celebration events and make contributions to the community through providing sponsorship may contact the Celebrations Coordination Office direct for further discussion.

Yours sincerely,

( Miss Suzanna Leung )  
for Secretary for Commerce,  
Industry and Technology
