

**Panel on Housing**

**List of outstanding items for discussion**  
(position as at 29 May 2007)

**Proposed timing for  
discussion**

**1. Land supply for public housing development and problems encountered in proposed public housing development**

Proposed by Mr CHAN Kam-lam at the meeting on 12 October 2006. He expressed concern about the opposition raised by certain District Councils to Housing Authority's proposed housing development programmes in their respective districts, which may have implications on the disposal of HA sites and pace of flat allocation under the Waiting List.

To be decided

The Administration has also proposed to brief members on the issues arising from securing sites for public housing development to meet long-term demands.

**2. New policy on one-person applicants for PRH**

Proposed by Mr Albert CHAN. He was concerned about the impact of the new policy on one-person PRH applicants and would like the Panel to follow up the issue. The Duty Roster Members (DRM) met with representatives of the Society for Community Organization in May 2006 and February 2007 on the latter's concern about the quota and points system for Waiting List non-elderly one-person applicants implemented in 2005. Noting that the Administration had undertaken to review the scheme after one year of implementation, DRM referred the matter for the Panel's follow-up on the policy issues concerned.

To be decided

The Administration will provide an interim report on the implementation of the quota and points system for non-elderly one-person applicants by the second quarter of 2007.
