

Panel on Health Services

List of outstanding items for discussion
(position as at 30 March 2007)

Proposed timing for discussion

1. Progress report on registration of Chinese Medicine practitioners

The item was last discussed by the Panel at the meeting on 13 November 2006. After the meeting, the Panel decided that the issue of providing appropriate assistance to listed Chinese medicine practitioners (CMPs) seeking to obtain registration status be made a standing agenda item for discussion by the Panel every six months.

May 2007

At the meeting on 12 February 2007, members agreed to follow-up on a referral from Duty Roster Members on the proposal put forward by deputations that the five CMPs represented on the Chinese Medicine Council should not be appointed by the Chief Executive but should be elected by all registered and listed CMPs. The Administration agreed to respond to such a proposal in its report to the Panel on the progress made in providing appropriate assistance to listed CMPs seeking to obtain registration status tentatively scheduled for May 2007.

2. Development of Chinese medicine clinics in the public sector

Item proposed by the Administration.

May 2007

3. Monitoring the effectiveness of the measures taken by the Hospital Authority to address the increased demand for obstetric services in public hospitals by Mainland women

The item was last discussed by the Panel at the meeting on 8 January 2007. The Administration was requested to report the effectiveness of the new measures taken by Hospital Authority to address the increased demand for its obstetric services to the Panel in three months' time.

May - June 2007

Proposed timing for discussion

4. Regulation of "Health Maintenance Organisations"

At the meeting on 12 March 2007, members agreed to further discuss the issue of regulation of "Health Maintenance Organisations" (HMOs) in May 2007. The Administration was requested to include in its discussion paper for the meeting its comprehensive strategies in taking forward the regulation of HMOs.

To be confirmed

5. Mode of supply of self-financed item (SFI) drugs to patients of public hospitals

At the meeting on 12 February 2007, the Administration was requested to report to the Panel when the Hospital Authority Board had come to a view on the mode of supply of SFI drugs before implementation.

To be confirmed

6. Communicable Disease Information System

Item proposed by the Administration

June - July 2007

7. Study on non-tobacco products that share the same trade mark as tobacco products

Item proposed by the Administration.

June - July 2007

At the request of the Bills Committee on Smoking (Public Health) (Amendment) Bill 2005, the Administration undertook to examine the viability of prohibiting the use of tobacco brand name and logo on non-tobacco products.

8. Fixed penalty system for smoking offence

Item proposed by the Administration.

June - July 2007

At the request of the Bills Committee on Smoking (Public Health) (Amendment) Bill 2005, the Administration undertook to introduce a fixed penalty system for smoking offence within a period of 18 months after the enactment of the Bill in October 2006.

Proposed timing for discussion

9. Health care financing

Item proposed by the Administration.

June - July 2007

10. Regulation of medical devices

Item proposed by the Administration.

End 2007

At the Panel meeting on 27 April 2006, members agreed to follow up on the implementation timetable for regulation of medical devices, including the use of Hydrophilic Polyacrylamide Gel (PAAG) for breast augmentation.

11. Progress report on promoting healthy eating among school children

The item was last discussed by the Panel at the meeting on 8 January 2007. The Administration was requested to report to the Panel after it had completed an evaluation study of the campaign to promote healthy eating habit among school children at the end of the 2006-2007 school year and to take into account members' views and suggestions in the comprehensive review of the campaign.

Q2 2008

12. Regulation of health care personnel not currently subject to statutory registration

Item proposed by Dr Hon KWOK Ka-ki.

To be confirmed

13. Separation of prescribing from dispensing of drugs

Item proposed by Dr Hon YEUNG Sum.

To be confirmed

The item was last discussed by the Panel at the meeting on 28 June 2005, during which the Administration advised that its position was that the matter would require thorough discussion by the stakeholders and the community at large, and the Administration would continue to listen to views and engage the parties concerned in the discussion before deciding the way forward.
