

**Panel on Health Services****List of follow-up actions**

(Position as at 9 November 2006)

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
1. Requiring doctors to purchase insurance to indemnify patients for medical negligence or malpractice as a condition to practise medicine	8 March 2004	Hon CHAN Yuen-han requested to discuss this item.	The Administration is following up with the Medical Council.
2. Budget deficit of Hospital Authority (HA)	8 November 2004	The Administration agreed to try as far as possible to provide a paper on the measures taken/to be taken in the coming year to address the budget deficit of HA, including how the fees should be tackled.	The Administration's response was issued vide LC Paper No. CB(2)319/06/07 on 9 November 2006.
3. Increase in professional indemnity insurance premiums	14 March 2005	The Administration undertook to provide a paper on professional indemnity insurance premiums and related issues.	The Administration will submit an information paper in due course.

Subject	Date of meeting	Follow-up action required	Administration's response
4. Regulation of medical devices in Hong Kong - Recent progress	19 July 2005	The Administration -  (a) to provide a supplementary written response to the concern raised by Ms LI Fung-ying about training and related matters; and  (b) to revert to the Panel on the operation of the regulatory system in due course.	The Administration will provide a written response in due course.  The Administration will submit an information paper in due course.
5. Guidelines on implementation of the Undesirable Medical Advertisements (Amendment) Ordinance 2005	12 December 2005	The Administration was requested to plug the loophole that some manufacturers might deliberately state a claim or disclaimer in the English language only by making the product label and the advertisement wholly or mainly in the English language, in its future review of the implementation of the Amendment Ordinance.  Schedule 4 of the Amendment Ordinance reads "If both the product label and the advertisement are wholly or mainly in the English or Chinese language, any claim or disclaimer may be limited to that language".	The Administration noted members' views and this will be taken on board in the future review of the Ordinance.

Subject	Date of meeting	Follow-up action required	Administration's response
6. Fees and charges for public health care services	13 February 2006	The Administration would convey the Chairman's enquiry on when the Administration planned to implement new fees and charges for public health care services to the relevant public officers after the meeting and revert to the Secretariat.	The Administration's response was issued vide LC Paper No. CB(2)318/06-07 on 9 November 2006.
7. Incorporation of organ donation details in Hong Kong's smart identity card	13 February 2006	The Administration agreed to submit a progress report in due course on the work it had done in storing a person's organ donation details through electronic means.	In its letter dated 7 July 2006, the Administration advised that it will submit a progress report on the subject as soon as practicable in the 2006-2007 legislative session [LC paper No. CB(2)2717/05-06(01)].
8. Fu Shan Public Mortuary Incident	31 March 2006	<p>The Administration -</p> <p>(a) to provide a paper after the meeting setting out the disciplinary actions taken by the Administration, if any, against the frontline and management staff who had committed dereliction of duty in the incident; and</p> <p>(b) to inform the Panel in three to six months' time of the progress made in taking forward the medium and long-term measures recommended by the Independent Committee on the incident of the Fu Shan Public Mortuary.</p>	The Administration will submit an information paper in due course.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
9. Work pressure of health care practitioners in the Hospital Authority	10 April 2006	The Administration and the HA were requested to provide a report to the Panel on the progress made in addressing the views and needs of health care practitioners in the HA regarding work pressure in three months' time.	The Administration will provide a written response in due course.
10. Discharge planning in public hospitals	12 June 2006 (joint meeting with the Panel on Welfare Services)	The Administration was requested to provide a written response to the views expressed by deputations about the lack of community support services for discharged patients. Upon receipt, another joint meeting could be held to follow up the matter.	The Administration will provide a written response in due course.
11. Regulation of "Health Maintenance Organisations"	10 July 2006	The Administration was requested to report to the Panel before the end of 2006 on the progress made in taking forward the medical director concept for "Health Maintenance Organisations".	The Administration will provide a written response in due course.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
