2 August 2007

Mr Noel SUNG
Clerk to Panel on Public Service
Legislative Council
Legislative Council Building
8 Jackson Road
Central
Hong Kong

Dear Mr SUNG,

**Panel on Public Service
Declaration of Interests and Investments for the Civil Service**

Thank you for your letter of 25 July 2007.

I set out below the information requested in the above letter, in the same order -

- (a) Under the existing civil service declaration rules promulgated in 2006, the holders of certain posts are required to declare their private investments on a regular basis. These civil service posts are classified into two Tiers. Tier I posts consist of 24 strategic posts, including the Permanent Secretary posts. Tier II posts include all directorate posts and posts designated by Permanent Secretaries/Heads of Department as carrying high risk of exposure to conflict of interest situations. At present, there are about 3,600 Tier II posts.

Officers holding Tier I and II posts are required to report their private investments in and outside Hong Kong on appointment and annually and biennially respectively. Between the annual or biennial declarations, they have to report, within seven days, any single investment transaction which is equivalent to or exceeds \$200,000 in value. In addition, an officer holding a Tier I post is required, on appointment and annually thereafter, to register his financial interests, in and outside Hong Kong, for public inspection on request.

General guidelines are given in the relevant Civil Service Regulations on the types of investments to be declared. Individual Bureaux/Departments may, in the light of their specific circumstances and operational needs, draw up additional declaration requirements for compliance by their staff.

Any failure to observe the declaration requirements may render an officer liable to disciplinary actions, and an officer may in addition be required to divest himself of any or some of the investments, refrain from acquiring or disposing of the investments or place the investments in a blind trust.

- (b) Civil Service Bureau ("CSB") maintains a register of financial interests, in and outside Hong Kong, of Tier I officers which is made readily available for public inspection upon request at the CSB's General Registry during office hours.
- (c) One Permanent Secretary is currently on vacation leave and will not be back until 22 August. The forms on registration of financial interests for public inspection from the remaining 17 Permanent Secretaries are enclosed. We will send the outstanding one to the Secretariat once it is available.

Yours sincerely,

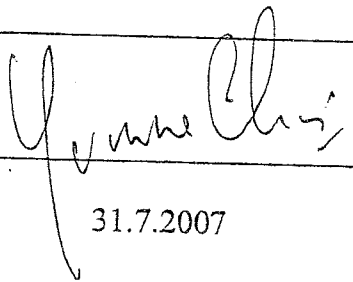

(Mrs Rosanna Ure)
for Secretary for the Civil Service

c.c. Hon Howard YOUNG, SBS, JP (Chairman)
