Subject Register my opposition to Ferry Route Merger

To whom it may concern. I am told by fellow concerned Lantau residents that on August 29 the Transport Department will meet the legislators of the Transport Panel Committee to try to convince them that the merger of the ferry routes of Lantau South with Peng Chau is a necessity.

If this is the case, I must ask that you help me direct my email to the appropriate Committee members to register my objection. As a home-owning family in Lantau (in Dai Long Wan), with two working parents and two young children in school who all have to commute to Hong Kong island daily, the increase in time spend on ferries would be an extreme reduction in the quality of public transportation. I find it objectionable that the government is even considering a lessening of public transportation services, which will add tremendously to the stress of our family personally, and I could not see how it could not reduce the overall productivity and quality of life for Lantau residents.

I would very much like to continue to receive information about this decision, and again, I appreciate your efforts in helping me make my concerns for the well-being of my family heard by the appropriate government officials.

Regards,

Ross O'Brien
