LC Paper No. CB(2)2019/07-08(01)

Dear Mr Chan,

**Latest Proposals Relating to Prepackaged Food  
Products with Nutrition Claims and Trans Fat Level**

The Federation of Hong Kong Industries would like to express its support for the Government's new proposal to exempt pre-packaged food products with nutrition claims with an annual sales volume below 30,000 units from the nutrition labelling requirements, as well as the proposal to require such pre-packaged food products to affix a warning label stating that they may not comply with Hong Kong laws.

We believe that these proposals in combination can enable consumers to make informed choices when selecting pre-packaged food products that suit their personal and health needs.

Yours sincerely,

Clement Chen  
Chairman
