**2. Progress report on Hong Kong Design Centre (HKDC)**

At the Panel meeting held on 17 April 2007, the Panel supported in principle the Administration's funding proposal to provide \$100 million to support the operation of HKDC as it would be conducive to the development of local enterprises as well as the long-term economic development of Hong Kong. The Administration undertook to report to the Panel on a regular basis the progress of the work of HKDC and the relevant initiatives taken to promote design and innovation. Following consultation with the Panel, the above funding proposal was approved by the Finance Committee on 25 May 2007.

**4. Furthering of trade relations between the Mainland and Hong Kong**

Following the implementation of various initiatives such as CEPA and PPRD Regional Cooperation, bilateral trade relation between the Mainland and Hong Kong has strengthened. The Administration will update the Panel on the latest position and explore areas (including CEPA implementation) that could be further enhanced.

20 May 2008

At the Panel meeting held on 18 December 2007, Panel members agreed that a public hearing for Hong Kong businessmen to exchange views with the Panel on difficulties they encountered in operating in the Mainland be held at the May meeting. The purpose of the meeting would be to discuss the implications of the Mainland's laws and regulations and its policies on Hong Kong businessmen operating in the Mainland instead of dealing with particular cases.

**5. Progress report on Research and Development (R&D) Centres**

The Panel discussed the issue on the new framework at its meeting on 21 November 2006 and requested the Administration to inform the Panel of the estimated expenditure of the R&D Centres against the funding approved. The Administration reported to the Panel on 17 July 2007 the income and expenditure of the R&D Centres and updated members of their progress achieved since their establishment in April 2006 to June 2007. The Administration undertook to report to the Panel the income and expenditure of the R&D Centres on an annual basis and to provide the requisite information (i.e. the total cost of each project, the actual level of industry contribution secured by the Centres for each project, and the administrative cost involved for each project) in the future progress reports.
