**List of outstanding items for discussion**  
(position as at 14 December 2007)

**Proposed timing**  
**for discussion**

**1. Improvements to the University-Industry Collaboration Programme under the Innovation and Technology Fund**

At the meeting on 17 July 2007, some members expressed concern that the proposed relaxation of geographical requirement under UICP would create opportunities for foreign companies to abuse the Scheme. To follow up on members' concerns, the Innovation and Technology Commission issued a public consultation paper in October and the consultation exercise ended on 4 November 2007. Feedback from the public is generally positive. Pending the decision on the way forward, the Administration plans to revert to the Panel on 15 January 2008.

**2. Follow-up to the Copyright (Amendment) Ordinance 2007 – Proposals for the Regulation on Safe Harbour and First Exclusion Notice**

Following the enactment of the Copyright (Amendment) Ordinance 2007, the Administration launched promotional and civic education activities to enhance stakeholders' awareness of new provisions in the amendment ordinance. In parallel, the Administration has also engaged relevant stakeholders in the discussion of the subsidiary legislation on "Safe Harbour" and the First Exclusion Notice. The Administration will update the Panel on the progress of the promotional activities and brief members on the preliminary proposals relating to the subsidiary legislations.

**4. Progress report on Hong Kong Design Centre (HKDC)**

At the Panel meeting held on 17 April 2007, the Panel supported in principle the Administration's funding proposal to provide \$100 million to support the operation of HKDC as it would be conducive to the development of local enterprises as well as the long-term economic development of Hong Kong. The Administration undertook to report to the Panel on a regular basis the progress of the work of HKDC and the relevant initiatives taken to promote design and innovation. Following consultation with the Panel, the above funding proposal was approved by the Finance Committee on 25 May 2007.

**6. Progress report on Research and Development (R&D) Centres**

The Panel discussed the issue on the new framework at its meeting on 21 November 2006 and requested the Administration to inform the Panel of the estimated expenditure of the R&D Centres against the funding approved. The Administration reported to the Panel on 17 July 2007 the income and expenditure of the R&D Centres and updated members of their progress achieved since their establishment in April 2006 to June 2007. The Administration undertook to report to the Panel the income and expenditure of the R&D Centres on an annual basis and to provide the requisite information (i.e. the total cost of each project, the actual level of industry contribution secured by the Centres for each project, and the administrative cost involved for each project) in the future progress reports.
