Dear Miss Tsang,

**Follow up on the information provided by the OGCIO on CWRP Head 710
Computerization**

On 6 December 2007, the OGCIO provided the Panel the information on the allocation and expenditure by B/Ds under CWRP Head 710 Computerization for the past seven years on request of the Panel on 12 November 2007. From the information provided, I observe that there is tremendous difference between expenditure and allocation. Over the seven years, the Administration has allocated \$12 billion to B/Ds but only \$7 billion was expended, which means 40 percent allocation was not used.

Hence I would like to add an agenda item to follow up this issue on 10 March Panel meeting. I would be grateful if you can invite the Administration to attend the meeting for: 1) explaining the tremendous difference between allocation and expenditure; 2) explaining the criteria on approving the allocation.

Thank you for your kindly arrangement.

Yours sincerely,

Legislative Councillor (IT)
