Dear Mr Lau,

Panel on Transport
Staffing proposal for the implementation of the Hong Kong section of
the Guangzhou-Shenzhen-Hong Kong Express Rail Link (XRL)

During the discussion of the captioned on 16 May 2008, Members requested the Government to provide supplementary information on whether our staffing proposal is included in a forecast of directorate establishment in the 2007-08 legislative session.

The proposed supernumerary Chief Engineer post was included in ECI(2007-08)8 ("Update on Overall Directorate Establishment Position") which the Civil Service Bureau issued to the LegCo ESC in November 2007. The proposal was included in Encl. 4 of the paper as a possible staffing proposal.

Grateful if you would circulate this letter to Members for their information.

Yours sincerely,

(Ava Chiu)

for Secretary for Transport and Housing
