Subject Stop Idling!! - 贊成在香港立法推行停車熄匙計劃

Dear Mr. Yau and Legislative Councillors,

I am not satisfied with the current air quality. I call on the government to immediately enact legislation to ban idling engines without any further exceptions.

Regards,

致邱局長及各立法局議員，

我對現在香港的空氣質量很不滿意。我促請政府立即立法推行停車熄匙計劃。不要再對運輸業作出任何讓步。
