At the meeting of the Public Works Subcommittee on 11 February 2009, the University of Hong Kong (HKU) undertook to conduct further consultation with the residents of The Belcher's on the captioned projects and brief them on the latest progress. Members may wish to note that the University met the residents of The Belcher's on 23 March 2009. At the meeting, the University explained the details of the proposed projects and provided updates on the progress of the Reservoir Re-provisioning Works, which are currently under construction.
