**Motion on
“Strengthening human resources in the fields of finance and trade”
to be moved by Dr Hon Philip WONG Yu-hong
at the Legislative Council meeting
of Wednesday, 24 June 2009**

Wording of the Motion

That, in the face of the impact of the financial tsunami, as well as many uncertain factors in the development of the global economic situation, Hong Kong must strengthen its own human resources in order that its position as a regional financial and trade centre can be consolidated; in this connection, this Council urges the Special Administrative Region Government to comprehensively review the existing policies and measures, with a view to strengthening the manpower training provided by local tertiary institutions in the fields of finance and trade, and further attracting relevant professionals across the world to Hong Kong.
