Subject: Subcommittee on Subsidiary Legislation to Enable the Release of Spectrum for Expansion of the Second Generation Mobile Service and Mobile TV Services - Invitation for submissions

Ms YUE Tin-po  
Clerk to Subcommittee

Dear Ms Yue

On behalf of Broadcast Australia I would like to thank you for your email providing us with the opportunity to make a submission to the "Subcommittee on Subsidiary Legislation to Enable the Release of Spectrum for Expansion of the Second Generation Mobile Service and Mobile TV Services".

Broadcast Australia continues to have an interest in the introduction of mobile TV into Hong Kong. While we are comfortable with the proposed legislation and do not propose to make a submission to the Subcommittee on this occasion, we continue to have an ongoing interest in this matter and would appreciate it if you could continue to keep us informed of any industry consultations or information briefings.

Yours sincerely
