Dear Ms Yue

Subcommittee on Building (Minor Works) Regulation – Invitation for submissions

Thank you for your letter of 23 April 2009.

The Hong Kong Federation of Insurers has several meetings with the Buildings Department on the captioned to discuss insurance covers related to the Regulation. At this point we have no specific concerns to raise. That said, we want to assure you that our industry would be more than happy to assist in any further deliberation of the matter in question should you find it necessary.

Yours truly
