Dear Miss Yu,

Legislative Council Panel on Housing Meeting on 16 December 2008
Follow-up Action

At the meeting of the Legislative Council (LegCo) Panel on Housing held on 16 December 2008, we informed Members of the outcome of the Comprehensive Structural Investigation in Ping Shek Estate, and undertook to submit a progress report before the end of 2009 on the improvement works carried out in the Estate.

The Housing Department (HD) is carrying out some of the improvement works in the Estate and has consulted its tenants on a number of new proposals. Besides, the HD is finalising the schematic design of the overall improvement works for the Estate and will submit it to the Hong Kong Housing Authority for consideration in due course. We will keep the LegCo Panel on Housing informed of any further development in this regard.

Yours sincerely,
