1. Provision of infirmary care for elders in a non-hospital setting	13 December 2004	The Administration undertook to provide more details of the tender exercise before the next meeting, including the criteria used in selecting operators to run the trial scheme, justification(s) for inviting private home operators to participate in the exercise, and the reason(s) for setting the unit subsidy for each subsidized infirmary bed in a non-hospital setting at around \$11,000.	The latest plan of the Administration is to upgrade some of the places in subvented residential care homes for the elderly to provide infirmary care. The Administration aims to report progress in the third quarter of 2009.

2. Conversion of self-care (S/C) hostel and home for the aged (H/A) places into care and attention places providing continuum of care	14 March 2005	The Administration was requested to provide its plan on providing long term care for the elderly in the medium and long terms, including financing for residential care services for the elderly.	The Administration has submitted two papers (LC Paper Nos. CB(2)835/07-08(01) and CB(2)1038/07-08(01)) to the Subcommittee on Elderly Services (the Subcommittee) on "Residential Care Services for the Elderly" which were discussed on 22 January 2008 and 19 February 2008. Another meeting was held on 11 April 2008 to follow up the views expressed by the Subcommittee on, among other things, the financing for residential care services for the elderly. The Administration is studying the long-term planning for subsidised residential care services for the elderly through a consultancy study led by the Elderly Commission, which is expected to be completed by the second quarter of 2009.

5. Assistance to elderly not receiving Comprehensive Social Security Assistance (CSSA)	8 June 2006	The Administration was requested to – (a) provide a paper setting out the relevant figures to substantiate its saying that a pay-as-you-go retirement protection scheme was not feasible; and (b) consult employees in Hong Kong on whether they were willing to allocate part of their MPF contributions, say 50%, to a pool for distribution to the current cohort of elders, on the understanding they too would receive a monthly sum of some \$2,500 in their old age.	The Administration is collating the requisite information and aims to provide a paper once ready.
6. Review of rent allowance under the CSSA Scheme	8 May 2008	The Administration was requested to provide a written response to the suggestion of granting a rent allowance higher than the maximum levels of rent allowance to those CSSA households with genuine and pressing housing needs to cover the actual rent paid.	The Administration is studying the matter and will provide a response when ready.
