**Opinion on District Councils Ordinance
(Amendment of Schedule 3) Order 2010**

1. The delay in finalising the addition of seats, is not fair to existing councillors and candidates-to-be. Furthermore, in the interests of the councillors, candidates and the public, changes to the boundaries of the constituency must be resolved at the earliest.
2. I object to the proposal of having the 5 DC FC seats being decided in a single constituency. I am in favour of splitting them into 5 districts, hence reducing the expenses incurred during the campaign to a more reasonable and acceptable level, instead of the proposed ceiling of HKD6million, which is disproportional to the honorarium and allowances received by district councillors.
3. In any case, the minimum number of nominations should not be higher than 10 under the proposed format.
