- 2. <u>The Bills Committee</u> deliberated (index of proceedings attached at **Annex**).
- 3. <u>The Chairman</u> said that owing to other commitments, Chi Yun School would not be able to receive members from mid to end of January 2011. <u>The Chairman</u> suggested, and <u>members</u> agreed, that the Bills Committee would first visit two private residential care homes for persons with disabilities ("RCHDs") in the afternoon of 17 January 2011.
- 4. <u>Ms Cyd HO, Dr Joseph LEE and Mr IP Wai-ming</u> said that they would not support the Bill if the minimum staffing requirement set out in the Code of Practice ("CoP") was too low to ensure the service quality of licensed RCHDs.  - (a) the minimum staffing requirement for different service sessions by types of RCHDs;

Agenda item I – Confirmation of minutes					
000000 - 000714	Chairman	Confirmation of minutes of meeting on 3 December 2010 [LC Paper No. CB(2)664/10-11]			
Agenda item II –	Meeting with the Administr	ation			
000715 - 000956	Chairman Mr CHEUNG Kwok-che Ms Cyd HO	Date of visit to two private residential care homes for persons with disabilities ("RCHDs")			
000957 - 001424	Chairman Administration	Briefing by the Administration on the comparison of the staffing requirement under the existing non-statutory Code of Practice ("CoP") for RCHDs issued in 2002 ("2002 CoP") and the latest version of the draft revised CoP for RCHDs ("2008 CoP") [LC Paper No. CB(2)186/10-11(01)]			
001425 - 003008	Mr LEE Cheuk-yan Administration Chairman	Concerns raised by Mr LEE Cheuk-yan - (a) it was a retrograde step as the staffing requirement set out in the 2008 CoP was lower than the 2002 CoP; (b) adverse impacts of the lower staffing requirements on RCHD staff; (c) instead of lowering the staffing requirement to facilitate the continual operation of private RCHDs after the implementation of the licensing scheme, the Administration should provide assistance to the private RCHD sector to upgrade and enhance the service quality; and (d) whether RCHD staff or staff unions had been consulted on the proposed staffing requirement The Administration's response that the Working Group to review the 2002 CoP had convened meetings and a number of consultation sessions were organised to gauge the views of the rehabilitation sector and stakeholders, including parent groups and operators of private RCHDs and subvented RCHDs. The staffing requirement was set out having balanced the different views of the rehabilitation sector and stakeholders			

Time marker	Speaker(s)	Subject(s)	Action required
003009 - 004442	Ms Cyd HO Administration Chairman	Ms Cyd HO's concern that the provision of nurses and health workers was not required between 6:00pm and 7:00 am under the staffing requirement set out in the 2008 CoP. The arrangement was unacceptable. She could not support the Bill if the licensing requirements were too low for ensuring quality services of private RCHDs The Administration's advice that under the existing	
		arrangement, RCHD residents would seek emergency ambulance service for receiving medical treatment at public hospitals if such needs arose at the night time	
		The Administration's further advice that the Bill aimed at regulating RCHDs through a statutory licensing scheme. As a matter of fact, the majority of existing private RCHDs did not comply with the requirements under the non-statutory 2002 CoP nor those of the 2008 CoP. By meeting the proposed licensing requirements under the 2008 CoP, the private RCHDs would have achieved a material improvement in service standards	
004443 - 010601	Mr CHEUNG Kwok-che Administration Chairman	Mr CHEUNG Kwok-che's view that the service standards set out in the 2008 CoP should be expressed in quantitative term so as to facilitate monitoring	
		The Administration was requested to consider adopting the staffing requirement in the 2002 CoP	Admin
010602 - 012456	Dr Joseph LEE Chairman Administration	Views of Dr Joseph LEE - (a) the specific staffing requirement for the operation of different types of RCHDs under the 2008 CoP was unclear and confused;	
		(b) having regard to the specific care needs of PWDs, the staffing requirement for RCHDs should ensure that round-the-clock nursing care services were provided to the residents living therein; and	
		(c) while the pilot Bought Place Scheme for private RCHDs provided incentive for participating RCHDs to enhance their service quality, it remained the Government's responsibility to ensure the service quality of licensed RCHDs, including the minimum staffing requirement was reasonable to cope with the nursing care needs of the residents	

Time marker	Speaker(s)	Subject(s)	Action required
		The Administration's advice that clear information on the respective staffing requirement for different types of RCHDs, e.g in the form of a table, would be made available for easy reference by service operators and users when the licensing scheme came into operation	
012457 - 013953	Mr LEE Cheuk-yan Chairman Mr CHEUNG Kwok-che Dr Joseph LEE	Discussion on the minimum staffing requirement for the operation of different types of RCHDs at different service sessions	
	Administration Mr IP Wai-ming	The Administration was requested to provide information on the minimum staffing requirement under the 2008 CoP in different time periods by types of RCHDs	Admin
013954 - 014515	Mr CHEUNG Kwok-che Chairman Administration	The Administration was requested to provide the staffing requirement of -	Admin
	Administration	(a) subvented RCHDs under the Lump Sum Grant Subvention System, whereby the Handbook on Rehabilitation Services could serve as a reference for service operators as notional staff establishment;	
		(b) subvented RCHDs which commenced service in 2010 under the invitation of quality proposals; and	
		(c) private RCHDs under the pilot Bought Place Scheme	
014516 - 015536	Mr IP Wai-ming Chairman Administration	Mr IP Wai-ming's enquiry about the application of the majority rule in the classification of RCHDs	
	Administration	Mr IP Wai-ming's view that he could not support the legislative proposal if the licensing standards were too low for quality service of private RCHDs. Mr IP's concern whether the Administration would review the staffing requirement as set out in the 2008 CoP	
		The Administration's advice on the application of the majority rule in the classification of RCHDs for the purpose of the 2008 CoP	
		The Administration was requested to provide information on the inspection mechanism to be put in place to ensure that a RCHD would only admit residents of appropriate level of care	Admin

Time marker	Speaker(s)	Subject(s)	Action required
015537 - 020514	Mr LEUNG Kwok-hung Chairman Administration	Mr LEUNG Kwok-hung's concern about the enforceability of the licensing standards of RCHDs if PWDs required different levels of care were living in the same home. Instead, the Administration should allocate additional resources to reduce the waitlisting situation of subvented RCHDs	
020515 - 020600	Chairman	Date of the next meeting
