

Panel on Information Technology and Broadcasting

List of follow-up actions

(position as at 6 November 2009)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Domestic/private pirated viewing of subscription television programmes	11.7.2005	The Administration was requested to monitor the global trend of regulatory practices against pirated viewing of pay TV programmes and update the Panel where necessary.	The Administration will update the Panel on developments where necessary.
2. Implementation on Digital 21 Strategy and the e-procurement programme	11.12.2006	<p>The Administration agreed to :</p> <p>(a) consider members' suggestions that e-invoice be considered for the pilot programme to drive supplier adoption, and assess and apprise the Panel of the increase in percentage, if any, of Small and Medium Enterprises (SMEs) suppliers having Internet connection as a result of the implementation of e-procurement, and SMEs' response to and their degree of participation in the e-procurement programme; and</p> <p>(b) assess the actual benefits of the e-procurement pilot programme against the benefits listed in paragraph 12 of the Administration's paper (LC Paper No. CB(1)435/06-07(03)) and the extent to which green procurement is adopted.</p>	<p>(a) The Administration considers that the proposed scope for the pilot programme encompassing four e-procurement initiatives with an estimated non-recurrent expenditure of \$49.2 million is a prudent and pragmatic way to proceed. However, the Administration will keep in view opportunities for trying out the e-invoice function when circumstances are conducive.</p> <p>(b) The Administration will assess the actual benefits of the e-procurement pilot programme at the review stage.</p>

Subject	Date of meeting	Follow-up action required	Administration's response
3. Issues relating to the editorial independence of Radio Television Hong Kong and the yardsticks of the Broadcasting Authority (BA) in imposing sanctions	12.3.2007	<p>The Administration was requested to review:</p> <p>(a) the mechanism for appointing members to BA (or the new unified regulator, i.e. the Communications Authority), including the criteria for appointment and composition of membership, with a view to bringing in more talents with different backgrounds to enhance representativeness; and</p> <p>(b) the yardsticks of BA in imposing sanctions.</p>	The Administration to take note and follow up.
4. Progress in the implementation of digital terrestrial television broadcasting in Hong Kong	11.6.2007	The Administration was requested to provide an estimate on the economic benefits arising from the analogue switch-off in due course.	The Administration to provide the information at a later stage when it has conducted further market and technical studies to plan for the analogue switch-off.
5. Capital Works Reserve Fund Head 710 Computerization Subhead A007GX – New administrative computer systems	12.11.2007	The Administration agreed to provide information on the present in-house IT manpower resources within the Government, and make an analysis of the present IT manpower situation in the Government in comparison with other governments and advanced countries.	The requisite information is not readily available in public domain. The Administration will continue to look for relevant sources and will update the Panel on the outcome in due course.
6. Review of the broadcasting regulatory regime	19.2.2008 10.6.2008	In the light of technological and market convergence in the electronic communications sector, the boundaries between telecommunications, broadcasting and information technology are blurring. Some old concepts adopted for the regulation of broadcasting may become obsolete in the converging environment. Just like other jurisdictions, Hong Kong needs to update the regulatory regime in the light of the latest technological and market	The Administration will update the Panel on developments in due course.

Subject	Date of meeting	Follow-up action required	Administration's response
		developments to ensure that its framework remains conducive to the further development of the broadcasting industry in particular and the electronic communications industry in general.	
7. Public consultation on public service broadcasting including issues related to the future of Radio Television Hong Kong and the opening up of radio/TV channels for use of the community	13.7.2009	The Administration undertook to provide statistics on the staffing situation, turnover and wastage as well as recruitment figures of Radio Television Hong Kong for the past few years.	The Administration to take note and follow up.
8. Information security	13.7.2009	<p>The Administration was requested to:</p> <p>(a) provide, in a table form, detailed information on the number of data leakage incidents, the nature of leakage, follow-up action including whether the incident had been reported to the Privacy Commissioner for Personal Data (PCPD) and disciplinary action taken at the next update to the Panel on the progress of the security initiatives; and</p> <p>(b) urge bureaux and departments to notify PCPD all personal data leaks, either in paper or electronic form, to cooperate with PCPD upon its enquiry and investigation into the cases which had not been reported to it.</p>	The Administration to take note and follow up.

Subject	Date of meeting	Follow-up action required	Administration's response
<p>9. Briefing by the Secretary for Commerce and Economic Development on relevant policy initiatives featuring in the Chief Executive's 2009-2010 Policy Address</p>	<p>20.10.2009</p>	<p>The Administration undertook to:</p> <ul style="list-style-type: none"> (a) provide an update report on the progress made in providing more business opportunities for local small and medium enterprises in the information technology sector under the overall Government procurement policy and the Government Procurement Agreement under the World Trade Organization; (b) provide an updated list of the distribution and locations of government premises covered by the Gov WiFi programme; (c) provide information (e.g. survey findings) in support of Radio Television Hong Kong remaining as a Government department while performing the role of a public service broadcaster; and (d) request the Hong Kong Council for Testing and Certification to consider ways and means to drive the development of software testing and certification services in Hong Kong. 	<ul style="list-style-type: none"> (a) The Administration will provide an update on the business opportunities for local small and medium enterprises to take part in Government IT contracts. (b) The information provided by the Administration was circulated to members vide LC Paper No. CB(1)278 /09-10(01) on 6 November 2009. (c) The Administration to take note and follow up. (d) The request has been passed to the Secretariat of the Hong Kong Council for Testing and Certification. The suggestion will be considered by the Council when it formulates the three-year market-oriented development plan for the testing and certification industry.
