Dear Miss Wong,

**Panel on Welfare Services**  
**Minutes of special meeting on 22 October 2009**

I refer to paragraph 22 of the draft minutes of the meeting held on 22 October 2009 and wish to inform the Panel that the proportion of the contracts reserved for priority bidding by social enterprises to the total number of government services contracts is not available, as the latter could not be ascertained without mobilizing a lot of resources in, among others, conducting a survey among all bureaux and departments to analyze the number and nature of government contracts.

Yours sincerely,

(Andrew TSANG)  
for Director of Home Affairs
