The Hong Kong Polytechnic University (Amendment) Bill 2011 **Statement by The Hong Kong Polytechnic University Staff Association**

The Hong Kong Polytechnic University Staff Association (PUSA) welcomes the latest version of the bill in which PUSA's request not to segregate the two elected seats from eligible staff to Council into one reserved solely for an academic staff representative and the other reserved solely for a non-academic staff representative has been incorporated, as supported by the outcome of an opinion poll held among all full-time staff members in February 2010. Moreover, PUSA welcomes the broadening of the electorate for those two seats to all full-time staff (c.f. the previously restricted electorate of only full-time teaching and instructional staff and administrative staff of equivalent rank or grade) as well as the broadening of voting rights to all elected Council members in the appointment and removal of PolyU's President and Deputy President.

香港理工大學教職員協會對修改後的香港理工大學(修訂)條例草案表示歡迎，修改後的版本回應了本會所反對原版本的建議分開由學術及非學術人員各自選出一個校董會代表，這亦是符合本會在2010年2月就此事項進行的校內民意調查結果。再者，本會對(修訂)條例草案中所建議，擴大這兩個民選校董議席的選民基礎至所有全職員工（現行條例校董會民選議席選舉只限於教學導師或以上職級的教職員及相同等級的行政人員參與），並把對校長及常務副校長的任命或撤職事項在校董會中的表決權責延伸至民選校董成員之做法，表示歡迎。
