致立法會秘書處,

早前於1月19日的立法會會議討論有關香港理工大學修改大學條例一事，本會提出了有關校董會學生代表由全日制學生投票產生的諮詢，並提出了非全日制學生投票的可行性。經本會的討論及向部份學生會會員諮詢後，初步顯示學生們對此的態度並不強烈，而且此建議的實行難度高。因此，我們初步支持原本的修改建議，如有最新的意見會向以書面通知。

To Legco Secretariat,

In the last Legco meeting dated 19th Jan which is about amending the ordinance of Hong Kong Polytechnic University, our union enquired the election of student representative in University Council from the full-time students, also raised the practicability of part-time students having right to vote. After our discussion and enquiry to some other students, the initial result shows that the attitude of students towards this is not strong, and the execution of this is so difficult. Therefore, we initially support the original suggestion of amendment. If there is update information, it will be informed via letter.
