INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF 2010 EAST ASIAN GAMES (HONG KONG) LIMITED (Incorporated in Hong Kong with limited liability by guarantee)

We have audited the financial statements of 2009 East Asian Games (Hong Kong) Limited set out on pages 5 to 26, which comprise the balance sheet as at 31st March, 2010, and the statement of comprehensive income, the statement of changes in funds and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

DIRECTORS' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

2009 EAST ASIAN GAMES (HONG KONG) LIMITED (Incorporated in Hong Kong with limited liability by guarantee)

NOTES ON THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

2009 East Asian Games (Hong Kong) Limited is a company incorporated on 3rd March, 2005 in Hong Kong as a company with limited liability by guarantee without a share capital. Every member of the company undertakes to contribute to the assets of the company, if required in the event of its being wound up, not exceeding HK\$100.

The address of its registered office is 1/F., Hong Kong Park Sports Centre, 29 Cotton Tree Drive, Central, Hong Kong.

The company is established for the organisation, implementation and delivery of the Fifth East Asian Games (the "Games") which was held in Hong Kong in December 2009.

The financial statements are presented in Hong Kong dollars, which is the same as the functional currency of the company.

2. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRS;")

The following revised standards and amendments which are relevant to the company's financial statements have been adopted in the current year but have no effect on the amounts reported in these financial statements.

- HKAS I (revised), Presentation of Financial Statements
- Improvements to HKFRSs (2008)

HKAS 1 (revised) has introduced terminology changes (including revised titles for the financial statements) and changes in the presentation and disclosures of financial statements. The revised standard requires the entity to present, in a statement of changes in equity, all owner changes in equity. All non-owner changes in fund (i.e. comprehensive income) are required to be presented in one statement of comprehensive income or two statements (a separate income statement and a statement of comprehensive income). The company has elected to present one statement of comprehensive income. This change in presentation has no effect on reported profit or loss, total income and expense or net assets for any period presented. Accordingly, the comparative figures have not been restated.

The improvements to HKFRSs (2008) have had no material impact on the company's financial statements.

The company has not early applied the other new standards, amendments and interpretations that have been issued but not yet effective (see note 20).

NOTES ON THE FINANCIAL STATEMENTS

3. BASIS OF PREPARATION

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which also include Hong Kong Accounting Standards ("HKASs") and Interpretations), issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance. These financial statements have been prepared under the historical cost convention.

The preparation of financial statements in conformity with HKFRSs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The area involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the accounts are disclosed in note 6.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Property, plant and equipment:

Property, plant and equipment are stated at historical cost less accumulated depréciation and amortisation less impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the centre and the cost of the item can be measured reliably. All other repairs and maintenance are expensed in the income and expenditure account during the financial period in which they are incurred.

Depreciation is calculated to write off the cost of property, plant and equipment over the period of their estimated useful lives on a straight line basis at the following annual rates:-

Furniture and fixtures	25%
Office equipment	25%
Leasehold improvement	25%

NOTES ON THE FINANCIAL STATEMENTS

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

a) Property, plant and equipment: (cont'd)

The gain or loss on disposal or retirement of a property, plant and equipment recognised in the statement of comprehensive income, is the difference between the net sales proceeds and the carrying amount of the relevant asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

b) Cash and cash equivalents:

For the purpose of the cash flow statement, cash and cash equivalents comprise cash on hand and demand deposits, and short-term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the company's cash management.

c) Impairment of assets:

Assets that have an indefinite useful life are not subject to amortization, which are at least tested annually for impairment and are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Assets that are subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

d) Payables:

Payables are initially recognised at fair value and thereafter stated at amortised cost unless the effect of discounting could be immaterial, in which case they are stated at cost.

e) Government grant (LCSD allocation):

Government grants are recognised at their fair values where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised as income over the periods necessary to match the grant on a systematic basis to the costs that are intended to compensate. When the grant relates to depreciable asset, the fair value is presented as deferred income and is released to income in the statement of comprehensive income over the expected useful life of the relevant asset.

NOTES ON THE FINANCIAL STATEMENTS

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

f) Deferred income:

Sponsorships and other revenues received which are designated for the sole purpose of financing the operation of "the Fifth East Asian Games" ("the Games") are recognised in the balance sheet initially as deferred income. Sponsorship and other revenues that compensate the company for expenses incurred are recognised as revenue in the statement of comprehensive income on a systematic basis in the same period in which the direct and related expenses are incurred. Resultant surplus/deficit of the Games would be recognised in the statement of comprehensive income upon the completion and conclusion of the Games.

g) Provisions and contingent liabilities:

Provisions are recognised for liabilities of uncertain timing or amount when the company has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditures expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow is remote.

h) Nominees transactions:

No account has been taken into account of assets and liabilities registered in the name of the company in respect of nominee transactions entered into by the company in the capacity as an agent for and on behalf of the principals.

i) Revenue recognition:

Government grant and sponsorship income are recognised on the basis as described in notes 4(e) and 4(f) respectively.

Licensing and merchandising income, broadcasting rights income and video wall promotion service income are recognised on an accrual basis, in accordance with the substance of the relevant agreements.

Banner promotion services income and revenue from charged accommodation are recognised when the relevant services are rendered.

Ticket sales and games concert income is recognised when the concert is held and finished.

Bank interest income is recognised as it accrues using the effective interest method.

NOTES ON THE FINANCIAL STATEMENTS

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

j) Related parties:

For the purposes of these financial statements, parties are considered to be related to the company if the company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the company and the party are subject to common control or common significant influence. Related parties may be individuals (being members of key management personnel and/or their close family members) or other entities and include entities which are under the significant influence of related parties of the company where those parties are individuals, the post-employment benefit plans which are for the benefit of employees of the company or of any entity that is a related party of the company.

k) Retirement benefits scheme:

The company joins a defined contribution retirement scheme under the Mandatory Provident Fund Schemes Ordinance (the "MPF Scheme") for those employees of the company.

The company's contributions to the MPP Scheme are made based on a percentage of the eligible employee's relevant income as defined in the Mandatory Provident Fund Schemes Ordinance. These contributions are expensed as incurred. The assets of the scheme are held separately from those of the company in independently administered funds.

5. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

a) Financial risk factors:

The company's major financial instruments comprises accounts receivable, deposits, cash and bank balances, accounts payable and accrued expenses which arise directly from its operations. The company's risk associated with these financial instruments and policies on how to mitigate these risks are set out below:

i) Foreign exchange risk

The company does not have any significant exposure to foreign exchange risk. All of the receivables and payables are denominated in Hong Kong dollars and all other transactions are in Hong Kong dollars.

Due to the effect of the change in exchange rates is insignificant, the sensitivity analysis in respect of changes in exchange rates is not presented.

NOTES ON THE FINANCIAL STATEMENTS

5. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

a) Financial risk factors: (cont'd)

ii) Credit risk

The maximum exposure to credit risk without taking account of any collateral held is represented by the carrying amount of each financial asset in the balance sheet after deducting any impairment allowance, the company does not provide any other guarantees which would expose the company to credit risk.

The credit risk on such liquid fund is limited because the counterparties are reputable banks.

As at 31²¹ March, 2010, the financial assets of the company that were exposed to credit risk and their maximum exposure were as follows:

	20	10	20	09
	Carrying amount in balance sheet	Maximum exposure to credit risk	Carrying amount in balance sheet	Maximum exposure to credit risk

5. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

- a) Financial risk factors: (cont'd)
 - iii) Liquidity risk

Liquidity risk is the risk that funds will not be available to meet liabilities as they fall due, and it results from amount and maturity mismatches of assets and liabilities.

The company's policy is to regularly monitor current and expected requirements to ensure that it maintains sufficient reserve of cash to meet its liquidity requirements in the short and longer terms.

The following table details the remaining contractual maturities at the balance sheet date of the company's financial liabilities which are based on contractual undiscounted cash flows and the earliest date the company can be required to pay.

NOTES ON THE FINANCIAL STATEMENTS

5. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

a) Financial risk factors: (cont'd)

iv) Interest rate risk

The company has no significant interest-bearing financial liabilities. The interest-bearing assets only include short-term bank balances and savings accounts. Short-term deposit carries interest at short-term deposit rates while savings accounts carry interest at floating rates. The company's income and operating cash flows are substantially independent of changes in market interest rates. Due to the fact that the changes in interest rate will have no material impact on the result of the company and accordingly the sensitivity analysis in respect of changes in interest rate is not presented.

b) Fair value estimation:

All financial instruments are carried at amounts not materially different from their fair values at 31st March, 2010 and 31st March, 2009.

6. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

Estimates and judgments used in preparing the accounts are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The resulting accounting estimates will, by definitions, seldom equal the related actual results. The estimates and assumptions that have a significant risks of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

a) Income taxes

The directors considers that the company has no tax liability in respect of its surplus arising from the Games as pursuant to the tripartite agreement with the Hong Kong government, all surplus of the company derived from the Games is required to be refunded to the government and therefore no provision for income tax has been made in these financial statements. Where the final tax outcome is determined and is different from the judgement made by the directors, such difference will impact the income tax and deferred tax provisions in the period in which such determination is made.

b) Property, plant and equipment

Management determines the estimated useful lives and residual values for the company's property, plant and equipment. Management will revise the depreciation charge where useful lives and residual values are different to previously estimated.
