**Motion on
“Perfecting harbourfront planning and management
in all districts of Hong Kong”
to be moved by Prof Hon Patrick LAU Sau-shing
at the Council meeting of 13 July 2011**

Wording of the Motion

That this Council urges the Government to adopt the following measures to perfect harbourfront planning and management in all districts of Hong Kong:

- (a) to make reference to appropriate overseas experience to formulate a comprehensive strategic harbourfront development policy with the objective of harbourfront beatification;
- (b) to establish a statutory body and recruit professionals to co-ordinate and implement strategic harbourfront development; formulate harbourfront development master plans for all districts of Hong Kong; organize open competitions on harbourfront design; construct harbourfronts of different styles by integrating the special features of various districts and dovetailing with community characteristics, and undertake a comprehensive planning for the provision of convenient, easily accessible and three-dimensional harbourfront connective networks, so as to link up fragmented harbourfronts and connect them to the communities in the vicinity;
- (c) through the public-private partnership approach, to proceed with continuous monitoring, public engagement and private development throughout the process from strategy formulation and design concept to operational management; encourage public engagement in the planning consultation for harbourfront community construction, and provide public space in private development projects, with a view to providing local community residents with harbourfront community facilities that suit their needs;
- (d) to support tourism-based harbourfront development, provide high quality tourism facilities that are convenient and attract visitors, including various forms of water transport, and promote diversified leisure water sports, for example, the provision of vessel berthing spaces, water sports rafts, hydroplane and seafood restaurants, etc.;

- (e) through harbourfront improvement plans, to revitalize and develop afresh decommissioned old piers and support the development of the local community economy; and
- (f) to manage harbourfronts with sustainable modes of financial operations.
