

**Panel on Constitutional Affairs**

**List of outstanding items for discussion**

*(position as at 9 November 2010)*

**Proposed  
timing for  
discussion**

**1. The question of "important bill" under Article 50 of the Basic Law**

The Panel discussed the question of "important bill" under Article 50 of the Basic Law at a number of meetings since late 1999.

To be decided  
by the Panel

The Panel noted the Administration's position on the following issues -

- (a) what constitutes an "important bill";
- (b) who determines whether a bill is important;
- (c) when to determine whether a bill is important; and
- (d) procedures and parties involved in the consultations under Article 50.

Given the Administration's position, the Chairman sought the views of members on the way forward at the meeting on 18 July 2005 when the item was last discussed. Hon Audrey EU suggested and members agreed that the item should remain on the outstanding list. At the meeting on 20 November 2006, members noted the background brief on the past discussions of members and developments subsequent to the meeting on 18 July 2005 prepared by the Legislative Council ("LegCo") Secretariat (LC Paper No. CB(2)376/06-07(02)), and expressed no strong view on the timing for discussing the item.

**2. Constitutional development**

LegCo passed by a two-thirds majority on 24 and 25 June 2010 the motions put forth by the Hong Kong Special Administrative Region ("HKSAR") Government concerning the draft amendments to the methods for selecting the Chief Executive ("CE") and for forming LegCo in 2012. CE gave consent to the draft amendments on 29 June 2010. The Standing Committee of the National People's Congress approved and recorded the draft amendments to Annexes I and II of the Basic Law respectively on 28 August 2010.

4th Quarter 2010

At the meeting on 19 July 2010, the Panel discussed the main issues to be considered under the local legislation regarding the two electoral methods in 2012. At the meeting on 18 October 2010, the Administration advised that it would consult the Panel on the major legislative proposals in late October 2010. The Administration plans to introduce the legislative proposals into LegCo within 2010.

### **3. Role and development of political parties**

The Panel held a discussion on the need to introduce a political party law at its meeting on 21 February 2005 and received views from deputations on the role and development of political parties at a special meeting on 26 February 2005.

To be decided  
by the Panel

The Administration's position was that the introduction of a political party law would hinder the development of political parties. As one of the means to facilitate the development of political party and political talent, the Administration had increased the financial assistance subsidy rate to candidates in the 2008 LegCo election to \$11 per vote. The Administration advised the Panel on 19 July 2010 that it was reviewing the need to increase the subsidy for the 2011 District Council ("DC") election.

On 21 June 2004, the Research Report prepared by the Research and Library Services Division of the LegCo Secretariat ("RLSD") on "Operation of Electoral Regulatory Bodies in Selected Places" (RP04/03-04) was presented to the Panel. Members agreed to further explore the issues raised in the Research Report in future.

To be decided  
by the Panel

### **5. Usage of electoral register**

In September 2007, Hon Margaret NG requested the Panel to discuss whether the Administration should review and amend the relevant subsidiary legislation to allow Members returned by election to use the relevant information in the electoral register for communication with their constituents while they were in office, and to require corporate and professional bodies of Functional Constituencies ("FCs") to provide the necessary assistance to FC Members.

To be decided  
by the Panel

The Panel followed up the issue at its meetings on 17 November 2007 and 18 February 2008. In response to members' request, RLSD had prepared an Information Note on "Usage of electoral register"

(IN05/07-08) which was considered by the Panel on 18 February 2008. At the meeting, some members expressed the view that the information contained in the electoral register should be released for use for purposes other than a purpose related to an election, e.g. to communicate with electors after the election. The Administration undertook to relay members' views to EAC for consideration.

The Race Discrimination Bill ("RDB") passed on 10 July 2008 has incorporated one of the amendments proposed by EOC, i.e. to extend the definition of sexual harassment in SDO to cover conduct which created a sexually hostile or intimidating environment at an educational establishment. As regards the other amendments proposed by EOC, the Administration has pointed out that some of them are technical amendments and the others might have read-across implications to other anti-discrimination ordinances. The Administration would consider the most appropriate way to take forward these proposed amendments and would further report progress to the relevant Panel in due course.

To be confirmed  
CMAB & LWB

**9. Proposed establishment of an Equal Opportunities Tribunal**

The Bills Committee on RDB ("the Bills Committee") noted that EOC was looking at the possibility of establishing an Equal Opportunities Tribunal, with informal procedures and active case management functions, so as to make the adjudication process speedy and more accessible.
