

Subcommittee on Combating Fly-tipping

**List of follow-up actions arising from the discussion
at the meeting on 24 February 2011**

- (1) To provide photos showing the extent of land filling activities in the Hung Shui Kiu case. To report the progress of reinstatement of the site upon expiry of the Reinstatement Notice in end May 2011.
- (2) maintain close liaison with the Construction Industry Council on the implementation of the voluntary Guidelines on Trip-ticket System for Disposal of Construction & Demolition Materials in the Private Sector Works. To keep the Subcommittee informed of progress of application of the Guidelines after these have been implemented for a certain period of time; and
- (3) To advise the Administration's stance in protecting country park enclaves with high conservation value from illegal land filling activities.
