Dear Miss Poon,

Re: Panel on Environmental Affairs – Special Meeting on 26 November 2010

Thank you for your letter of 3 November 2010 inviting the Construction Industry Council (CIC) to the captioned meeting to discuss the Public Consultation on Hong Kong's Climate Change Strategy and Action Agenda.

We regret to inform you that the CIC shall not be able to attend the meeting of Panel on Environmental Affairs to be held on 26 November 2010. However, for your information, the CIC through its Committee on Environment and Technology is now reviewing the strategies and measures as proposed in the consultation document and will soon advise the Environmental Protection Department of its views on the subject.

We would appreciate if you could relay the above message to the Panel on Environmental Affairs of the Legislative Council.

Yours sincerely,

(Ivan Wong)
