5. Implementation of the Elderly Healthcare Voucher Pilot Scheme

1st quarter, 2011

The Panel discussed with the Administration on the Pilot Scheme on 12 October and 12 November 2007, and 14 April 2008. At the meeting on 14 April 2008, the Panel passed a motion requesting the Administration to provide health care vouchers to elders aged 65 or above, increase the value of each health care voucher to at least \$100, expedite the launching of the health care voucher pilot scheme within 2008, and provide each senior citizen with at least 10 health care vouchers a year.

The Scheme was launched on 1 January 2009 for three years up to the end of 2011.

At the special meeting of the Panel on 16 October 2009, the Administration advised that an interim review would be conducted after the Scheme had been implemented for a year. A comprehensive review would also be carried out upon the completion of the three-year pilot period. The reviews would cover the effectiveness and scope of the Scheme, amount of subsidy, etc.

At the meeting on 8 March 2010, Hon CHAN Hak-kan proposed discussion of the interim review on the implementation of the Scheme in view of the media reports about improper voucher reimbursement claims by some healthcare service providers enrolled in the Scheme.

6. Electronic health record sharing

2nd quarter, 2011

Item proposed by the Administration in the 2009-2010 legislative session.

7. Implementation of the Shared Care Programme

2nd quarter, 2011

The Panel was briefed on the three-year pilot Programme at the meeting on 8 March 2010. The Administration agreed to revert to the Panel on the progress of the Programme one year after implementation.

8. Improvement of doctors' working hour in public hospitals

2nd quarter, 2011

The Panel discussed with the Administration on the Final Report on Doctor Work Reform on 12 April 2010. The Administration was requested to revert to the Panel on the progress of improving doctors' working hour in six to 12 months' time.

9. Regulation of "Health Maintenance Organisations"

To be confirmed

The issue was last discussed by the Panel at the meeting on 11 June 2007. The Administration was requested to revert to the Panel on the time frame for establishing a statutory licensing regime to regulate health maintenance organisations, in view of the lack of adequacy of the Medical Director concept to safeguard patients' welfare.

10. Drug Formulary of the Hospital Authority

To be confirmed

At the meeting on 12 February 2007, the Administration was requested to report to the Panel when the Hospital Authority ("HA") Board had come to a view on the mode of supply of self-financed item drugs before implementation. The Administration was also requested to review the assessment criteria for introducing new drugs into HA Drug Formulary and for assistance under the Samaritan Fund.

When the grant for the Samaritan Fund was discussed at the Panel meeting on 10 November 2008, members raised concern about the assessment criteria and the operation of the Drug Formulary and the Samaritan Fund. Members considered it necessary to advance the discussion on the matter at a forthcoming Panel meeting.

At the meeting on 8 June 2009, the Administration briefed members on the latest developments of the HA Drug Formulary.

When the policy on the use of drugs in public hospitals under HA in immediate life threatening emergency situations was discussed at the Panel's special meeting on 19 June 2009, Hon Andrew CHENG and Hon Albert CHAN proposed to discuss the implementation of the HA Drug Formulary at a future meeting, and deputations should be invited to give views on the subject.

11. Shortage of nurses

To be confirmed

At the meeting on 8 March 2010, Hon CHEUNG Kwok-che suggested that the subject should be discussed by the Panel within the current legislative session.

12. Referral from Duty Roster Member regarding the iron chelating therapy for Thalassaemia patients in public hospitals

To be confirmed

As agreed by the Duty Roster Members of the Legislative Council who met with The Thalassaemia Association of Hong Kong on 15 December 2009, the concern raised by the Association regarding the iron chelating therapy for Thalassaemia patients in public hospitals was referred to the Panel for follow-up.

13. Referral from Duty Roster Member regarding the provision of medical services for children in poverty

To be confirmed

On 16 April 2010, Duty Roster Members of the Legislative Council met with representatives of the Hong Kong Society for Community Organization to receive views on the provision of medical services for children in poverty. Duty Roster Members agreed that the issue be referred to the Panel for follow-up.

14. Mental health service plan for adults for 2010-2015 and the findings and recommendations of the Report of the Review Committee on Management and Follow-up of Mental Patients with Reference to the Mental Patient Incident in Kwai Shing East Estate

To be confirmed

Item proposed by Dr Hon PAN Pey-chyou on 6 September 2010.

The Panel discussed with the Administration on the new mental health service programmes launched by HA at the meeting on 11 May 2010. Members were advised, amongst others, that to enhance the mental health services in response to the needs of the community in a systematic manner, HA was developing a mental health service plan for adults for 2010-2015, setting out the goals, objectives and action priorities for the mental health services for adults in the next five years.

**Proposed timing
for discussion**

At the meeting, the Panel passed a motion urging the Administration to set up an independent committee to investigate the causes of the tragedy occurred on 8 May in Kwai Shing East Estate involving a chopping attack by a man which left two dead and three seriously injured, so as to find out the root of the problem with a view to improving the treatment and rehabilitation services for mental illness and preventing the recurrence of similar incidents. In the light of the incident and the concerns of members and the community, HA set up a Review Committee on Management and Follow-up of Mental Patients with Reference to the Mental Patient Incident in Kwai Shing East Estate in May 2010. The Review Committee has submitted its report to the Chief Executive of HA and the Secretary for Food and Health on 3 August 2010.

15. Services of the public general out-patient clinics

To be confirmed

At the meeting between Legislative Council Members and members of Kwai Tsing District Council ("KTDC") held on 5 July 2010, some KTDC members expressed concern about the prescription errors, the supply of drugs, as well as the difficulties encountered by the elders in using the telephone appointment service of the public general out-patient clinics. The above concerns were referred to the Panel for follow-up with the Administration.

16. Commencement of provisions related to proprietary Chinese medicines in the Chinese Medicine Ordinance (Cap. 549)

To be confirmed

The Administration consulted the Panel on 12 July 2010 of its plan to commence in phases from December 2010 the provisions in the Chinese Medicine Ordinance (Cap. 549) and the Chinese Medicines Regulation (Cap. 549F) related to the mandatory registration of proprietary Chinese medicines ("pCm") and the requirements of label and package inserts.

The Panel agreed to decide in the new legislative session whether it was necessary to convene a special meeting to re-visit the matter and receive views from the trade.

The Chinese Medicine Ordinance (Commencement) Notice 2010, the Chinese Medicine (Fees) Regulation

**Proposed timing
for discussion**

(Commencement) Notice 2010 and the Chinese Medicines Regulation (Commencement) Notice 2010 were gazetted on 8 October 2010 and tabled before the Council on 13 October 2010. By these Commencement Notices, the Secretary for Food and Health appoints 3 December 2010 and 1 December 2011 as the day on which the offences relating to the sale, import and possession of pCm through registration and the requirements of label and package inserts will come into effect respectively.
