Dear Sir

Re-organization of the Government Secretariat

The Real Estate Developers Association of Hong Kong is in full support of the re-organization proposal for the Government Secretariat put forth by the Office of the Chief Executive-elect.

We firmly believe that the Chief Executive-elect should be given all the support that he needs, including re-organizing the Government Secretariat as he sees fit, to enable him to deliver the pledges he made in his election platforms for the overall benefit of Hong Kong.

Yours sincerely

Keith Kerr
President
