Dear Sirs,

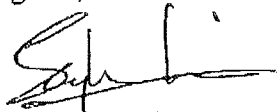

Re-organization of the Government Secretariat

I write to support the proposal by the CE-Elect on the Re-organization of the Government Secretariat in the consultation paper prepared by the Panel on Constitutional Affairs.

As a professional surveyor and a Past President of the Hong Kong Institute of Surveyors, I strongly agree to have the Housing and the Lands matter to be grouped under the same Bureau.

I can be contacted [redacted] or email address [redacted] if you need any further information from me.

Regards,

Stephen Liu Ling Hong
