Subj Comments on Cross-boundary Private Cars Trial Scheme 自
ect 駕遊計劃意見書

Dear Sirs,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assesed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿易推行自駕遊計劃。有關自駕遊的的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。本人認為 內地司機 最起碼 也要在香港 再從新 考取 香港的 駕駛執照才能在香港 駕駛 !!!

This administration ignores the local road traffic safety problems by drawing a large amount of left-handed drive into our society. Additionally, It will definitely leads the daily usage of our local busy traffic into a even worse condition.

I am a HK citizen who work in Shenzhen and I travel to Shenzhen every day. I always see the bad driving manners of local Chinese drivers and reckon that the Cross-boundary Private Cars Trial Scheme should be stopped ASAP because HK driving culture is a lot different from that of China. I wish that nobody in HK will be harmed because of this scheme and therefore I urge the Government to stop promoting the scheme immediately. Thank you for your kind attention.

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。反對政府未有評估兩地駕駛文化而有機會導致道路安全問題增加

Subj Comments on Cross-boundary Private Cars Trial Scheme 自
ect 駕遊計劃意見書

Dear Sirs,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assesed by the public.

Dear Sirs,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assesed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿易推行自駕遊計劃。有關自駕遊的的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

ect 駕遊計劃意見書

Dear Sirs,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assesed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿易推行自駕遊計劃。有關自駕遊的的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

Subj Comments on Cross-boundary Private Cars Trial Scheme 自
ect 駕遊計劃意見書

Dear Sirs,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿易推行自駕遊計劃。有關自駕遊的的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

I will attend the Panel on February 29 to make explanation of my comments to the Panel.

本人將會出席2012年2月29日立法會交通事務委員會，並就本人之意見作出口頭陳述。

反對自駕遊!!!!

Dear Sirs,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿易推行自駕遊計劃。有關自駕遊的的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。
