**Motion on  
“Improving the voter registration system  
to rebuild people’s confidence in the electoral system”  
to be moved by Hon KAM Nai-wai  
at the Council meeting of 21 December 2011**

**Wording of the Motion**

That the media have recently disclosed the discovery of many suspected vote-rigging cases after the District Council Election held on 6 November this year; besides, after every Legislative Council Election and District Council Election in the past, the Administration also received tens of thousands of returned poll cards; as there is a lack of an effective verification mechanism under the voter registration system, law-breakers may easily register as voters with falsified addresses, thus ruining the electoral system and causing voters to lose confidence, this Council urges the Administration to spare no efforts in investigating suspected vote-rigging cases, institute prosecutions against law-breakers, and comprehensively review the voter registration system, so as to ensure that before the Legislative Council Election to be held in September next year, the loopholes are plugged and people’s confidence in the electoral system is rebuilt.
