To implement the re-organisation of the Government Secretariat as proposed in EC(2012-13)5^{Note}, Members are invited to approve the following changes to the 2012-13 Estimates from the same date as the proposed re-organisation –

- (a) creation of a new Head of Expenditure under the General Revenue Account entitled “Government Secretariat: Culture Bureau” with the Permanent Secretary for Culture as the Controlling Officer and under this new Head, creation of one Recurrent Subhead and one Non-recurrent Subhead under the Operating Account, and three Subheads under the Capital Account;
- (b) creation of a new Head of Expenditure under the General Revenue Account entitled “Government Secretariat: Commerce and Industries Bureau (Maritime, Aviation, Logistics and Tourism Branch)” with the Permanent Secretary for Commerce and Industries (Maritime, Aviation, Logistics and Tourism) as the Controlling Officer and under this new Head, creation of one Recurrent Subhead and one Non-recurrent Subhead under the Operating Account;
- (c) the change in the titles of some Controlling Officers and Heads of Expenditure;
- (d) consequential re-delegation of the authority previously delegated by this Committee to the Secretary for Commerce and Economic Development;
- (e) consequential transfer of non-recurrent and capital account commitments to the two new Heads of Expenditure;
- (f) supplementary provision to the relevant Subheads under the two new Heads of Expenditure and some existing Heads; and
- (g) provision of establishment ceilings expressed in terms of total notional annual mid-point salary value to the two new Heads of Expenditure and change in the establishment ceilings of some existing/retitled Heads.

/PROBLEM

^{Note} EC(2012-13)5 proposes that the re-organisation should take effect from the date of transfer (“date of transfer”) specified in the resolution proposed to be passed under section 54A of the Interpretation and General Clauses Ordinance (Cap.1) the notice of motion for which was given on 7 May 2012. 1 July 2012 has been assumed to be the date of transfer specified in the resolution for the purpose of computing the proposed changes to the 2012-13 Estimates in this paper and its enclosures.

PROBLEM

We need to provide funds for six additional politically appointed officials (PAOs) (including two Deputy Secretaries of Department (DSODs), two Directors of Bureau (DoBs) and two Deputy Directors of Bureau (DDoBs)), two additional Permanent Secretaries (PSs) and the necessary support for them, as well as to effect other necessary cost-neutral changes to the 2012-13 Estimates of Expenditure, for the purpose of implementing the re-organisation of the Government Secretariat.

PROPOSAL

2. We propose the following changes to the 2012-13 Estimates of Expenditure with effect from the same date as the proposed re-organisation –

- (a) creating a new Head of Expenditure and relevant Subheads under the General Revenue Account to account for the expenditure of the Culture Bureau (CB), with the Permanent Secretary for Culture (PS for C) as the Controlling Officer;
- (b) creating a new Head of Expenditure and relevant Subheads under the General Revenue Account to account for the expenditure of the Commerce and Industries Bureau (Maritime, Aviation, Logistics and Tourism Branch) (CIB(MALTB)), with the Permanent Secretary for Commerce and Industries (Maritime, Aviation, Logistics and Tourism) (PSCI(MALT)) as the Controlling Officer;
- (c) changing the titles of some Controlling Officers and Heads of Expenditure;
- (d) re-delegating the authority previously delegated by this Committee to the Secretary for Commerce and Economic Development (SCED);
- (e) transferring non-recurrent and capital account commitments to the two new Heads of Expenditure;
- (f) providing supplementary provision to the relevant Subheads under the two new Heads of Expenditure and some existing Heads; and
- (g) providing establishment ceilings to the two new Heads of Expenditure and changing the establishment ceilings of some existing/retitled Heads.

/JUSTIFICATION

JUSTIFICATION

Creation of new Heads and Subheads

3. The expenditure of the 12 bureaux in the Government Secretariat is charged to separate Heads of Expenditure (or separate Heads, if the bureau concerned has more than one branch) under the General Revenue Account (GRA). After the proposed re-organisation, there will be 14 bureaux with the net addition of two, namely CB and the Technology and Communications Bureau (TCB). To reflect the new organisation structure, we need to create two Heads, and to retitle five existing Heads of Expenditure (please see paragraph 10 below).

Culture Bureau

4. The proposed CB will be headed by the Secretary for Culture (S for C) and will have overall responsibility for policy matters relating to culture. We propose to create a new Head to account for the spending of the new CB, with PS for C as the Controlling Officer. As with existing Heads, the expenditure under this new Head will be broken down into Operating and Capital Accounts Subheads. Details of the 2012-13 provision under the new Head presented in the Estimates format with supporting explanation are in Annex A to Enclosure 4.

Encl. 4

5. Under the Operating Account of the new Head are one Recurrent Subhead (*Subhead 000 Operational expenses*) and one Non-recurrent Subhead (*Subhead 700 General non-recurrent*). *Subhead 000 Operational expenses* is the sum of new provision necessary for the proposed creation of the PAO positions, the PS for C post and the supporting civil service posts, plus the transfer of provision from existing Heads consequential to the re-organisation under which CB will take over the respective responsibilities for matters relating to culture and the West Kowloon Cultural District, creative industries and heritage conservation. These existing heads include Head 53 Government Secretariat: Home Affairs Bureau (HAB), Head 55 Government Secretariat: Commerce and Economic Development Bureau (Communications and Technology Branch) (CEDB(CTB)) and Head 159 Government Secretariat: Development Bureau (Works Branch) (DEVB(WB)). For the purpose of preparing a budgetary provision for each of the affected Subheads, we have assumed that the provision will be required for July 2012 to March 2013. We propose a provision of \$654,431,000 to meet the recurrent expenditure of CB from the date of transfer to the end of the current financial year. *Subhead 700 General non-recurrent* accommodates seven existing approved non-recurrent commitments transferred from Head 55 Government Secretariat: CEDB(CTB) relating to the portfolio of creative industries and Head 159 Government Secretariat: DEVB(WB) relating to the portfolio of heritage conversation.

6. There will be three Subheads under the Capital Account (*Subhead 865 Hong Kong Arts Development Council, Subhead 942 Hong Kong Academy for Performing Arts, and Subhead 973 Hong Kong Academy for Performing Arts - minor plant, vehicles and equipment (block vote)*) transferred from Head 53 Government Secretariat: HAB. Details of the Subheads and non-recurrent commitments in the Estimates for CB at Annex A to Enclosure 4.

7. We propose an establishment ceiling of \$64,554,000 in terms of total notional annual mid-point salary (NAMS) value for CB for the creation of non-directorate posts. This proposed establishment ceiling represents mainly the amalgamated establishment ceilings proposed for the necessary supporting civil service posts for S for C and PS for C as well as those approved for the portfolios relating to culture and the West Kowloon Cultural District, creative industries and heritage conservation under Head 53 Government Secretariat: HAB, Head 55 Government Secretariat: CEDB(CTB) and Head 159 Government Secretariat: DEVB(WB) respectively in the context of the 2012-13 Estimates.

Commerce and Industries Bureau (Maritime, Aviation, Logistics and Tourism Branch)

8. The proposed Commerce and Industries Bureau (CIB), under the leadership of the Secretary for Commerce and Industries (SCI), will have overall responsibility for trade and industry policy as well as the development of the maritime, air, logistics and tourism industries. In view of its range of responsibilities, it is proposed that CIB should have two branches, namely the Maritime, Aviation, Logistics and Tourism Branch (MALTB) and the Trade and Industry Branch (TIB). We propose to create a new Head to account for the spending of the new MALTB, with PSCI(MALT) as the Controlling Officer. Details of the 2012-13 provision under the new Head presented in the Estimates format with supporting explanation are in Annex B to Enclosure 4.

9. *Subhead 000 Operational expenses* under the new Head is to account for the expenditure on matters relating to the maritime, air, logistics and tourism industries. It is the sum of new provision necessary for the proposed creation of the PSCI(MALT) post and the supporting civil service posts, plus the transfer of provision from existing Heads consequential to the re-organisation. These existing heads include Head 158 Government Secretariat: Transport and Housing Bureau (Transport Branch) and Head 152 Government Secretariat: Commerce and Economic Development Bureau (Commerce, Industry and Tourism Branch). For the purpose of preparing a budgetary provision for each of the affected Subheads, we have assumed that the provision will be required for July 2012 to March 2013. We propose a provision of \$485,318,000 to meet the recurrent expenditure of CIB(MALTB) from the date of transfer to the end of the current financial year.

/Subhead 700

Subhead 700 General non-recurrent accommodates eight existing approved non-recurrent commitments transferred from Head 152 and Head 158. Details of the subheads and commitments are in Annex B to Enclosure 4. In addition, we propose an establishment ceiling of \$60,423,000 in terms of NAMS value for CIB(MALTB) for the creation of non-directorate posts.

Change in the titles of Controlling Officers and Heads of Expenditure

Encl. 1 10. The existing Commerce and Economic Development Bureau will be restructured into two bureaux, namely CIB and TCB. The existing Development Bureau and the Transport and Housing Bureau will be restructured into two bureaux, namely the Transport and Works Bureau and Housing, Planning and Lands Bureau. We propose to change the titles of the corresponding Controlling Officers and Heads of Expenditure to tie in with the changes in portfolios among the relevant policy bureaux and the titles of these bureaux. The changes are set out in Enclosure 1.

Consequential Re-delegation of Authority

Encl. 2 11. As a result of the changes in the titles of Directors of Bureau and Controlling Officers and reshuffling of the policy portfolios among relevant bureaux, we propose that SCI be re-delegated the authority previously delegated by this Committee to SCED as detailed in Enclosure 2.

Transfer of Commitments

Encl. 3 12. To reflect the transfer of duties under the re-organisation, a number of non-recurrent and capital account commitments would be transferred from the old Heads to the new Heads in accordance with the change of duties. Details of the transfer of commitments are set out in Enclosure 3.

Changes in Establishment Ceiling

13. Consequential to the proposed re-organisation, we propose to provide new establishment ceilings to the two new Heads of Expenditure and change those of the relevant existing/retitled Heads in terms of total NAMS value for the creation/transfer of non-directorate posts. The details of the changes are set out in Enclosure 4. The total increase of \$138,994,000 in the establishment ceilings of these Heads will be partly offset by the total decrease of \$116,737,000 in the establishment ceilings of other Heads, details of which are set out in Enclosure 4. The net increase of \$22,257,000 represents the proposed creation of 45 non-directorate posts for providing support to the additional PAOs and civil service directorate officers as well as strengthening the administrative support for the re-organised structure.

/FINANCIAL

FINANCIAL IMPLICATIONS

14. To provide the necessary funds for the additional PAOs and the re-organised Government Secretariat, a total supplementary provision of \$1,339,380,000 will be required under various Heads of Expenditure from July 2012 to March 2013. This would be partly offset by a total decrease of \$1,295,428,000 arising from those Heads which would have net transfer out of provision from their original Estimates. The net increase of \$43,952,000 represents the additional staff cost of the new DSoDs, DoBs, DDoBs, PSs and the necessary staffing support to them for the nine-month period up to March 2013. The detailed supplementary provision required by the relevant Heads and Subheads, and the offsetting decrease in the Estimates of other Heads and Subheads are set out in Enclosure 4. Details of the 2012-13 provision under the relevant Heads presented in the Estimates format with supporting explanation are set out in the annexes to Enclosure 4.

PUBLIC CONSULTATION

15. We consulted the Legislative Council Panel on Constitutional Affairs on the proposals contained in this paper on 4 June 2012. Members expressed their views on the proposals. We explained to Members the rationale of our proposed arrangements. The meeting noted that the Administration would submit the proposals to the Finance Committee for approval at its meeting on 15 June 2012.

BACKGROUND

16. The fourth-term Chief Executive of the Government of the Hong Kong Special Administrative Region (HKSAR) was elected on 25 March 2012. In response to community aspirations, the Chief Executive-elect pledged in his manifesto a series of initiatives for the betterment of Hong Kong. To facilitate implementation of the initiatives, he proposed to re-organise the Government Secretariat. Details of the re-organisation proposals were announced on 4 May 2012.

17. After the re-organisation, there will be three SoDs, two DSoDs and 14 DoBs in the fourth-term HKSAR Government. Their post titles will be as follows –

Chief Secretary for Administration
Financial Secretary
Secretary for Justice
Deputy Chief Secretary for Administration
Deputy Financial Secretary

/Secretary

Secretary for the Civil Service
Secretary for Commerce and Industries
Secretary for Constitutional and Mainland Affairs
Secretary for Culture
Secretary for Education
Secretary for the Environment
Secretary for Financial Services and the Treasury
Secretary for Food and Health
Secretary for Home Affairs
Secretary for Housing, Planning and Lands
Secretary for Labour and Welfare
Secretary for Security
Secretary for Technology and Communications
Secretary for Transport and Works

18. In brief, the major impact on the organisation structure of the Government Secretariat following the proposed re-organisation is as follows –

- (a) two new DSoDs will be created to share the workload of the Chief Secretary for Administration and the Financial Secretary;
- (b) a new bureau will be created to underpin the new S for C;
- (c) a new bureau will be created to underpin the new Secretary for Technology and Communications;
- (d) four existing bureaux will have their policy responsibilities re-organised; and
- (e) eight existing bureaux will not be affected by the proposed re-organisation. Their structures and names will remain unchanged.
