**Motion on**  
**“Expeditiously implementing the formulation of standard working hours”**  
**to be moved by Hon IP Wai-ming**  
**at the Council meeting of 30 May 2012**

**Wording of the Motion**

That, given that minimum wage and standard working hours must complement each other in order to be able to maximize the effect of protecting grassroots workers and facilitating Hong Kong’s economic development, this Council urges the current-term and next-term SAR Governments to, having regard to the well-being of employees at large, spare no efforts in making preparations for enacting legislation on standard working hours and expeditiously implement the relevant tasks, including:

- (a) to set a deadline and timetable for conducting studies on regulating working hours;
- (b) to establish a ‘study group on legislating for standard working hours’ comprising representatives of the Government, employees and employers, and academics to follow up the relevant issues;
- (c) to regularly hold discussions in the Panel on Manpower of the Legislative Council and report the progress to the Labour Advisory Board, so as to strengthen the Legislative Council’s function of monitoring the Government on the one hand, and increase the transparency of the relevant work on the other, so as to enable the public and the labour sector to know the progress of the studies;
- (d) to proactively ascertain the views of the trade unions of various industries and the relevant stakeholders on standard working hours; and
- (e) to increase the public’s knowledge and understanding of standard working hours through various forms of publicity and education.
