

**Subcommittee on the Six Orders Made under Section 5(1) of the  
Public Bus Services Ordinance and Gazetted on 20 January 2012**

**List of follow-up action arising from the discussion  
at the meeting on 14 February 2012**

- (1) To advise the existing monitoring system to ensure that bus trips provided by franchised bus companies are on schedule.
- (2) To advise the percentage of bus trips which fail to meet the schedules of services (using the 18 Districts as the basis), and the reasons for not meeting the schedule (such as non-attendance of bus drivers).
- (3) To enhance the existing monitoring system, consideration should be given to putting in place an electronic system so as to enable the Commissioner for Transport and the franchised bus companies to gather data immediately on the situation of scheduled bus trips arriving at each bus stop and whether they met the schedules of services.
