Dear Madame,

Panel on Information Technology & Broadcasting Meeting on 11 June 2012

We refer to your letter of 1 June 2012 inviting ourselves to the captioned.

Please note that we are presently seeking a licence to provide domestic free television programme services in Hong Kong. As our application remains under consideration by the Government, we do not find it appropriate to take part in the discussion of any matters pertaining to the agenda item concerned. Your invitation to attend the captioned meeting or make representations to the Panel is respectfully declined. Your kind understanding would be most appreciated.

Yours faithfully,
