**12. Conditioned hours of work of the civil service**

Proposed by Mr LEE Cheuk-yan at the Panel meeting on 17 January 2011. Mr LEE considered it unfair that individual civilian grades in the civil service should have different conditioned hours of work of 44 and 45 hours a week, especially as those working 45 hours a week were not remunerated during meal breaks, so that their working hours were in fact 51 hours a week. He called for a comprehensive review of the situation to align the hours of work of the civil service, preferably to 44 hours a week so as to facilitate the implementation of five-day week. He also opined that the conditioned hours of work of all disciplined services grades should be the same, and that the meal break arrangements, such as the compensatory meal break arrangement, of the disciplined services grades, in particular the ambulancemen, should be reviewed. Dr PAN Pey-chyou agreed with him on the need to discuss the meal break arrangements. The Administration's response was issued vide LC Paper No. CB(1) 2978 /10-11 on 5 September 2011.
