To Whom it may concern,

I am a Hong Kong citizen. The news for Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars (the Scheme) shocked me after the advertisement of locust. We are worried about that the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars (the Scheme) will be come another locust-like scheme. We are totally disappointed with the executive capability of HKSAR government. It is therefore, we request you to abolish the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars (the Scheme) immediately.
