Subject Fw: No to Quota Trial Scheme

**Maggie Leung**

22/02/2012 11:43

Dear Sir or Madam,

I am writing to express my opposition to the Ad Hoc Quota Trial Scheme. I can't understand why, not to mention not taking any initiative to limit the number of cars for the sake of better transportation and environment, now the government is inviting more uncontrollable vehicles in. This scheme is unwise and impractical and should not be carried out.

Regards,

Maggie Leung
