

Comments on fare rising of MTR 2012

Date: 30 April 2012

Dear Mr Andrew CHENG, Chairman of the Legislative Council
Panel on Transport,

Southern Democratic Alliance works hard for ethnic minorities and
poor people in Hong Kong.

MTR Hong Kong is one of the most expensive mass transportation
networks in the world. Its fare is much more expensive than China
and Taiwan.

The major boss of MTR Hong Kong is HKSAR government. The
government should provide services to Hong Kong people, not to
take money away from the pockets of Hong Kong People.

We urge the government to start talk with MTR Hong Kong at once
to revise the fare rising agreement of MTR Hong Kong.

Please call me for more information at: 51381394.

Yours truly,

Limbu Saran Kumar
Chairman
Southern Democratic Alliance
