As requested by the Hon Wong Kwok-hing and Hon Wong Sing-chi at the meeting of the Legislative Council Panel on Transport on 27 June 2012, we are pleased to provide supplementary information in ensuring paragraphs:

Retrofitting Works

At the request of the Hon Wong Kwok-hing, we attach herewith a detailed works schedule of the 2nd phase programme of retrofitting the 37 PTIs and public bus/light bus termini.

Tactile Tiles

Regarding the Hon Wong Sing-chi's question about the tactile tiles provided outside the Hong Kong Disneyland, the Highways Department has inspected the tactile tiles provided outside the main entrance of the theme park, and confirmed that the tactile tiles concerned are of concrete type which are commonly used in public transport facilities.

Yours sincerely,

(Miss Sheena YAP)
